I(we) authorize Vision Financial Group, Inc. and its assigns, ("Company") to initiate electronic deductions from the checking account below and authorize the bank named below to make those deductions from the account.

One-time payment of \$ _____ or Recurring payment for lease/contract listed above

I/We understand that funds must be available in my/our checking account on or before the due date stated in the agreement. If my/our checking account has insufficient funds when the payment is due, I/we will be subject to applicable overdraft and/or late fees. If the payment is not made as a result of insufficient funds, it will be my/our responsibility to make the payment manually. I/we understand that no transfer may be made if the funds in the checking account are subject to legal process or other encumbrance restricting the transfer.

This Authorization if for recurring contract payments is to remain in full force and affect until Company has received written notification from me (or either of us) of its termination (if permissible under my contract or lease agreement), in such time and in such manner as to afford Company and my/our depository a reasonable opportunity to act on it. This Authorization may be canceled by Company for any reason by sending written notice of termination.

I/We agree to make payments manually until Company has had a reasonable time to establish this request.

I/We agree to make Personal Property Tax (if applicable) payments as a separate one-time payment request or manually as they will not be treated as a recurring lease/contract payment.
